**Helping to celebrate everything you love about spring and the great outdoors
with two new Barokes wine varieties!**

We all know how much Australians love the outdoors and with the warmer months just around the corner, you can't go past Barokes' two new wine varieties – Rose` and Bubbly Rose`, to complement any alfresco occasion.

Barokes world first patented product, Wine-in-a-Can (Vinsafe®), is a premium single serve wine product designed specifically for the outdoors, offering consumers convenience, safety and versatility now with six unique varieties.

Barokes is the perfect companion for wine lovers of all walks of life. From innovative new consumers who enjoy going out and socialising, particularly at outdoor events, to the 'convenience' consumers who enjoy the product whilst being active and participating in sports such as sailing or golf.

Packaged in a convenient and versatile 250ml slim-line can that incorporates innovative and patented Vinsafe® technology, Barokes offers consumers two standard glasses per serve - helping to eliminate wastage and great for when you are on-the-go. Opening up a new realm for the new-age wine consumer, Barokes Vinsafe® wine packaging technology promises premium quality, stability and proven longevity.

Barokes is available in unique Mix-Packs allowing consumers to pick and choose any combination of their favourite blends - offering more choice, flexibility and value for money than ever before. Additionally, Barokes delivers an environmentally friendly product that eliminates the risk of nasty glass breakages.

The current range includes something to satisfy every palate:

- Cabernet Shiraz Merlot
- Chardonnay Semillon
- Bubbly Cabernet Shiraz Merlot
- Bubbly Chardonnay Semillon
- Rose`
- Bubbly Rosé

Barokes wine in a can retails for approximately \$4.59 and is available throughout Australia through selected premium liquor outlets as well as David Jones in Sydney, Melbourne and Perth. In addition to being available from bottle stores across the nation, Barokes is also gaining traction within hotels (mini-bars), cafes, restaurants, nightclubs and outdoor entertainment venues.

Barokes is the only patented canned wine in the world and is currently enjoying international success as it expands into new markets across the globe - including Japan, Hong Kong, Singapore, Taiwan, Canada, New Zealand, China, throughout Europe and the UK, the Nordic countries and the US where consumers appreciate the quality assurance of patented products.

About Barokes

Barokes is unique in that they have perfected the technology to produce and deliver premium wine in an individually sized, sealed 250 ml can. Using the innovative Vinsafe® wine packaging system, the world's first patented technology for producing and packaging wine in a can, Barokes has produced a range of wines renowned for premium quality, stability and longevity. Nine years of extensive research and development have been committed to creating this purpose build product for the global wine market. The current range includes a Cabernet Shiraz Merlot, Chardonnay Semillon, Rosé, Bubbly Cabernet Shiraz Merlot, Bubbly Chardonnay Semillon and Bubbly Rosé. This award winning wine has taken the export market by storm and Barokes currently distribute in nineteen markets, including Australia, throughout Europe and the Nordic countries, the USA, Japan, China, New Zealand, Canada and the UK, and a number of south east Asian countries.
